Good evening my friends❤️,
This is our first test project for pastel cafe, me and my colleagues MaRy MoHmmd and Saja Alkhatteeb in a Web Development course,
Under the supervision of our amazing dr. Anas AlSubh❤️
The big thanks to our amazing dr. for his endless efforts in this course and beyond,
And thank u my lovely colleagues for Your efforts I wish u the success❤️❤️
Listen to what our students said about our program and our courses.

“This was one of the best network classes that I have ever attended. It has enriched me with the knowledge necessary to improve my career.”

Mohammad Muhaisen
Computer Network Course

“Web development course is one of the most important courses any IT student should take. It helps you to build your own websites and better understand how the web works.”

Shadi Akil
Web Development Course

“This course [Computer Maintenance] has allowed me to open, modify, and maintain my PC with full confidence.”
