## "Easing access to higher education: scholarship schemes and beyond"

### 3 DIFFERENT APPROACHES

1. UAB: Supporting young refugees before they access university
2. VUB: Easing the enrollement process of refugee students
3. SPARK: special focus on the integration of students in the local labour market / reconstruction efforts

HIGHER AND FURTHER EDUCATION  
OPPORTUNITIES & PERSPECTIVES  
FOR SYRIANS

- More efficient and sustainable responses (using existing resources and national systems, need too evaluate current responses)
- Integrated and comprehensive strategy (from project to program systemic approach)
- Creation of synergies (coordination and streamlining)
- Transforming students in agents of change
- Shift from conventional to unconventional
